TÜHIDDA-NA-KOINUI-TI PROGRAM

Pictured above, Cain Omohundro

Cultural Hunter

As part of the 2026 Tühidda-na Koinui-ti Program, one of this year's Cultural Hunt Permits was awarded to Cain Omohundro.

Four Cultural Hunt Permits were awarded this year; Cain Omohundro, Steve Dondero, Dante Parra, and Faye Spoonhunter. Cain was the first cultural permit to be fulfilled on August 2nd, 2026. The Bishop Paiute Tribe thanks Cain and community members that assisted him throughout this process.

The deer will be respectfully processed and utilized at the Tribe's annual gatherings.

We extend our gratitude to Cain as well as to the animal and the nourishment it will provide to our community. We wish all of the 2026 Tühidda-na Koinui-ti Program lottery winners the best of luck throughout the remainder of the season.

Good luck and safe hunting!

DORIS MAE ANDREAS

Doris Mae Andreas was born on April 20, 1945. She is the daughter of Tom Turner and Laura Barlow and had seven (7) siblings. Doris is the last of her sibling still with us today.

Doris married Harry Andreas and had three children Harry Jr, Jill, and Farrell. Doris worked in a bakery until her retirement and then she did Home Healthcare for many years following, taking care of those that needed the help.

Doris enjoyed many years of listening to her husband play music and now she enjoys listening to the Harry Andreas band. Doris also enjoys taking care of her great grandchildren, going to yard sales, and hitting that Jackpot at the Casino.

Below you can see Doris Andreas with the love of her life, Harry Andreas Sr.

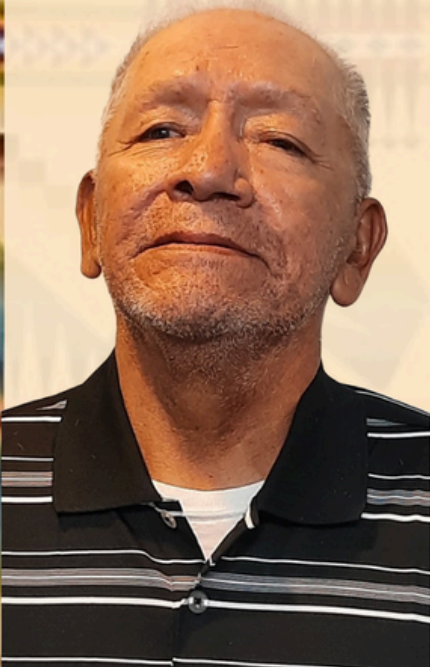

VIRGIL EUGENE RAMBEAU

Virgil E. Rambeau is a member of the Bishop Paiute Tribe. Virgil's mother was the late Bertha Rambeau (John), and his father was the late Wallace Rambeau. Virgil had five (5) brothers.

In his spare time Virgil enjoys watching football, fishing and getting that ringer playing horseshoes. He also finds enjoyment playing the slot machines at Wannaha Casino!

Virgil Worked in Reno Nevada for 22 years at Valley Concrete doing concrete work. After many years outside of the area, Virgil is happy to call Bishop his permanent place of residence.

In the photo above you can see Virgil in his younger years, standing atop Conway Summit overlooking Mono Lake.

CALIFORNIA INDIAN DAY
CULTURAL CENTER CLOSED

CELEBRATING CALIFORNIA NATIVE AMERICAN DAY

California Native American Day is an annual celebration that honors the culture, history and sovereignty of California's Indigenous people.

The observance started in 1939 by then-Governor Culbert Olson, who established it as "Indian Day". In 1968, it then evolved into "American Indian Day", thanks to Governor Ronald Reagan and Tribal Leaders. In 1998, Governor Pete Wilson proclaimed Native American Day and established it as an official state holiday.

Today, we celebrate our Nüümü & Newe lifeways, traditions, and history. We wear our traditional attire, sing songs passed down through generations, speak our languages, share our knowledge, and gather together as one community.

California Native American Day is more than a day of recognition....it's a time to celebrate who we are, where we come from, and the traditions we carry forward for future generations to come.

CULTURAL CENTER TRIVIA HITS THE CALIFORNIA INDIAN DAY PARADE ROUTE!

On Friday, September 25, the Cultural Center will be closed for California Indian Day....but we won't be sitting this out! We're excited to announce that we're taking part in the parade happening that morning! Our summer youth workers, **Byron Gustie, Jr.**, and **Jayce Salazar** put their thinking caps on and created a list of fun trivia questions to be announced by the parade MCs along the parade route.

Think you know your California Native history, culture, and traditions? Now's your chance to put your knowledge to the test! Guess the right answer and win a prize! This will be a fun way to celebrate our culture and maybe take home a fun prize along the way! Come join us!

SEPTEMBER 18 HAPPY BIRTHDAY AIR FORCE!

SAFETY IN AIR AND SPACE

The Air Force is the youngest of the military branches. Prior to 1947, it was a separate Corps of the Army. The primary mission is to defend the U.S. and its interests via air and space. They are also responsible for all military satellites and controls strategic nuclear ballistic missiles.

MOTTO

“Aim High...Fly-Fight-Win”

This encompasses what it means to serve in the Air Force; this is a call-to-action, with a response of commitment, adopted in 2010.

BIRTHDAY

18 September 1947

THE SKY IS NOT THE LIMIT

SEPTEMBER 11 - PATRIOT DAY

This day honors the nearly 3,000 lives lost in the 2001 terrorist attacks, including first responders and service members who answered the call following the attacks. Established by law, this day is marked by a moment of silence at 8:46 a.m. (Eastern Daylight Time) and flying the U.S. flag at half-staff.

On this day, we honor all who stood to defend our nation after 9/11...those who served...those who sacrificed.

We also remember the lives lost, the families whose lives were forever changed and the courage shown in the days that followed.

WE WILL NEVER FORGET

SEPTEMBER 27 GOLD STAR MOTHER'S & FAMILY'S DAY

Each year on the last Sunday in September, we pause to honor the families who have lost a loved one in military service. The “Gold Star” comes from the tradition of hanging a service flag in the window... A blue star for each family member serving, which turns gold if they give their life for our country.

First recognized in 1936 for mothers, and later expanded to include all family members, this day reminds us that the cost of freedom is also carried by the loved ones left behind.

We remember these families, and honor their strength in carrying forward their legacy.

A GOLD STAR MOTHER'S LOVE NEVER FADES

WHY DO WE WEAR ORANGE ON SEPTEMBER 30TH?

Orange Shirt Day is a day to remember the children and families impacted by the residential school system. Wearing orange is a way to honor the children who experienced these schools, remember those who never returned, and reaffirm a powerful message: **Every Child Matters.**

GOOD FOOD, GOOD COMPANY & GOOD VIBES!

On Tuesday, August 4, the Cultural Center hosted a BBQ luncheon for the Cultural Advisory Committee, Food Sovereignty Program (FSP), and Environmental Management Office (EMO), and our summer youth workers. This was a time to acknowledge and celebrate our youth workers as we bid a fond farewell to the summer program. Their hard work and youthful energy have been appreciated, and we're grateful for all they did at the Cultural Center, FSP, and EMO.

The gathering also gave us an opportunity to share updates on the Land Transformation Project currently underway at the Cultural Center. We shared updated versions of the draft designs and discussed the new changes for the grounds!

A special thank you to Byron Gustie, Jr., and Jayce Salazar for putting their mad grilling skills to work, to EMO for providing drinks and ice cream, and to FSP for bringing non-disposable dishes and veggies. All your contributions made this luncheon extra special!

UAI BOYS & GIRLS CLUB VISIT THE CULTURAL CENTER

On Wednesday, August 5, we welcomed the United American Indian Involvement, Inc. (UAI) Boys & Girls Club from Los Angeles, CA. Their annual summer camp brought 17 youth, along with staff and volunteers for a morning of learning and exploration. *"For most of our history, our camp has been held in the beautiful Eastern Sierras, the traditional Paiute homeland of the camp founder and former UAI Executive Director Dave Rambeau."* - The Robert Sundance Summer Camp.

At their arrival, they all had the opportunity to tour the museum and see the exhibits. For one returning youth, this was her second visit to the Cultural Center and she was excited to be back and tell the other kids about what she remembered from the museum.

We want to extend a special thank you to Veronica Pallan, Cultural Botanist with FSP, for stepping in and sharing her knowledge with the group. Veronica gave the youth a talk about composting, followed by a tour of the Seed House and the FSP Garden. The kids were able to get hands-on with Garden Bingo, an interactive activity where they searched the garden for different plants, and other items to complete a bingo and win a prize. Even though it was a hot day, the kids jumped right in, and had fun exploring the garden and learning about the plants around them.

We're always happy for the opportunity to share our programs, culture, and museum with the UAI Boys & Girls Club and look forward to welcoming them back next year!
